EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Ruchi Walia on 11/02/2007.

The application has been amended as follows:

Claims 5, 7, 9, 11, 13, and 14 have been canceled. All limitations on these claims were roll over into independent claims 1 and 15.

2. The following is an examiner's statement of reasons for allowance:

Claims 1 and 15 are allowable because the prior art fails to disclose or suggest a device and corresponding method comprising the combination of reception means..., time information acquisition means..., signal extraction means..., search means..., wherein when a desired channel is newly selected, said time information acquisition means cancel the acquisition... and performs a new acquisition..., and processing means for designating a channel unsearched by said search means..., wherein said processing means is started when a decision to acquire time...is not indicated with respect to a search performed on said desired channel by said search means for said time information.

Art Unit: 2623

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
